How do I access my PetPlus account after enrolling?

How do I order medications for delivery?

Shop online using your PetPlus membership at [PetCareRx.com](https://www.petcareRx.com). Search for the medication that you want to purchase and select the dosage. At checkout, select free delivery.

Who dispenses medications ordered online?

PetPlus is not a pharmacy. PetPlus partners with National Association of Boards of Pharmacy (NABP) accredited pharmacies such as CVS, Walgreens, Rite Aid and PetCareRx to fulfill your pet prescriptions. Orders dispensed through online mail-order will be directed to PetCareRx, and those through in-store pickup will be dispensed at the local Caremark network pharmacy of your choice.

How do I pick up my pet's prescription at a pharmacy?

If a medication is eligible for pick-up, it will be listed as eligible on your PetPlus dashboard. Bring both your pet's prescription and your PetPlus card to the pharmacy at which you will be placing your order. Inform the pharmacist that you are picking up a prescription for your pet and have a pet prescription benefits card. They will fulfill your Rx and let you know when it is available for pick-up. You should NOT be charged at the pharmacy for your purchase. Within 2 days of your pick-up, your PetPlus account will be charged for the purchase of the cat or dog medications you ordered.

When do I receive my PetPlus card?

Your PetPlus card is available as soon as you activate your account at [PetPlus.com](https://www.petplus.com). You can either print out your card at home or show it to the pharmacy right from your mobile device.

How do I use Pet Assure?

You will receive your Pet Assure membership card in the mail. When you visit a participating veterinarian, present your Pet Assure card at checkout, and the veterinary staff will apply a 25% discount to all in-house medical services. What procedures are discounted?

Participating veterinarians discount all in-house medical services. This includes the office visit, vaccinations, surgery, dental cleaning, spay and neuter surgery, x-rays and any other procedures the vet performs. Even procedures related to pre-existing conditions are discounted.
